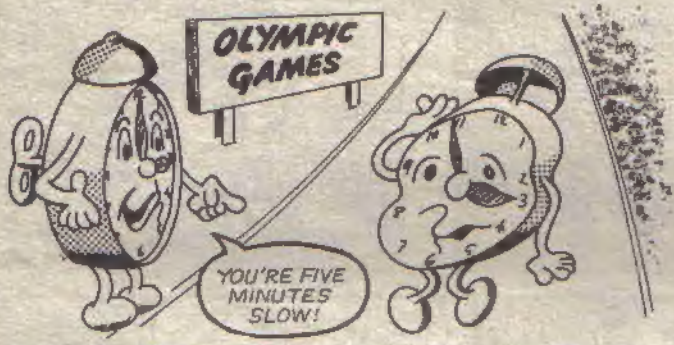
Dear Ed,
One day I went to Wembley Market with my sister and mother. We walked down the road and there we saw a suitcase with a man beside it, selling things which were in the suitcase; so really it was some kind of stall. The funniest thing was that on the top of the suitcase it said, 'Closing Down Soon' and all you had to do was close the suitcase! From Lisa Ann Gardbaum, Stanmore, Middlesex.

Perhaps he was having a clearance sale, JUST IN CASE it got too heavy to carry!



By Paul Sharp, Tolleshunt Knights, Essex.

Dear TV Comic,
One year we were on holiday on the Norfolk Broads. We moored up near a swamp with oil in it, and our dog went in it. When he came back my dad had to wash him in the river. It was just as if he had been diving! From Steven Smith, Humberside.

You moored up near a swamp with oil in it? Some people pick the strangest places to go on holiday!

★☆★☆★☆★☆★☆★☆★☆★☆★☆★☆★☆★☆★☆★☆★☆★☆★

Dear Editor,
What is hairy and coughs?
Answer: A coconut with a cold!

Which knight designed the round table?
Answer: Sir Cumference!

How did Frankenstein amuse his monster?
Answer: He kept him in stitches!
From Susan Turner, Highley, Salop.

Dear Editor,
I had to have a blood test because I had not been well. When I came out Mum said I looked worried and asked me why. I said, "I am wondering how the doctor puts the blood back in after it's been tested!" Stephen Lambind, Twickenham.

Have you never heard of blood donors?

I think it's great,
To show my friends
I just can't wait
One way red,
The other way blue,
So, dear Ed,
I must thank you!
